DOWNTOWN

FLY IN STYLE, STAY FOR THE VIEWS

Vertiport Chicago, the city's downtown heliport, is home to Fly Heli, the exclusive helicopter tour company. Together, we provide helicopter experiences for families, individuals, and large groups. Our concierge team can assist with air taxi services to airports and other destinations or help organize large group events by transforming the hangar into a versatile event space perfect for any occasion.

GROUP EXPERIENCES & EVENT SPACE

Large group? No problem! We offer usage of the hangar in combination with outside access to the tarmac which makes this facility perfect for food or music festivals. This vast world-class facility provides a unique backdrop for film production scenes and photo shoots.

HELICOPTER TOURS

Offer your guests the opportunity of a lifetime and experience Chicago like never before with captivating views from up high with Fly Heli. Helicopter Tours available for your events!
